

Front Porch Project®

Learn how to protect PA's kids from abuse.

We each have a role to play in protecting children and supporting families. Learn how you can make a difference.

Front Porch Project® training sessions teach you:

- How and when to safely respond when you are worried about a child in your neighborhood or in a public place;
- To understand the issues affecting families today;
- The many ways we can all help to protect all children.

Attend a free, two-day training in your community. Advance registration is required.

For more information or to register for a training session, contact Pa Family Support Alliance at 1-800-448-4906 (in PA), 717-238-0927 or info@pa-fsa.org.
