

DISABILITY ACCESS POLICY

In compliance with the Americans with Disabilities Act, PA Family Support Alliance will make reasonable disability-related accommodations available to disabled members of the public when appropriate for training programs. Notification of 45 days prior to a program will enable PA Family Support Alliance to make appropriate arrangements. Accommodations cannot be guaranteed without adequate advance notice. Contact Beth Bitler, Program Director with your request for accommodations at bbitler@pa-fsa.org or (800) 448-4906.
