**6301. Short title of chapter.**

This chapter shall be known and may be cited as the Child Protective Services Law.

**6302. Findings and purpose of chapter.**

(a) **Findings.**--Abused children are in urgent need of an effective child protective service to prevent them from suffering further injury and impairment.

**(b) Purpose.**--It is the purpose of this chapter to encourage more complete reporting of suspected child abuse; to the extent permitted by this chapter, to involve law enforcement agencies in responding to child abuse; and to establish in each county protective services for the purpose of investigating the reports swiftly and competently, providing protection for children from further abuse and providing rehabilitative services for children and parents involved so as to ensure the child's well-being and to preserve, stabilize and protect the integrity of family life wherever appropriate or to provide another alternative permanent family when the unity of the family cannot be maintained. It is also the purpose of this chapter to ensure that each county children and youth agency establish a program of protective services with procedures to assess risk of harm to a child and with the capabilities to respond adequately to meet the needs of the family and child who may be at risk and to prioritize the response and services to children most at risk.

**(c) Effect on rights of parents.**--This chapter does not restrict the generally recognized existing rights of parents to use reasonable supervision and control when raising their children.

(1) At any time, the secretary may amend or expunge any record in the Statewide database under this chapter upon good cause shown and notice to the appropriate subjects of the report. The request shall be in writing in a manner prescribed by the department. For purposes of this paragraph, good cause shall include, but is not limited to, the following:

(i) Newly discovered evidence that an indicated report of child abuse is inaccurate or is being maintained in a manner inconsistent with this chapter.

(ii) A determination that the perpetrator in an indicated report of abuse no longer represents a risk of child abuse and that no significant public purpose would be served by the continued listing of the person as a perpetrator in the Statewide database.

(2) Any person named as a perpetrator, and any school employee named, in an indicated report of child abuse may, within 90 days of being notified of the status of the report, request an administrative review by, or appeal and request a hearing before, the secretary to amend or expunge an indicated report on the grounds that it is inaccurate or it is being maintained in a manner inconsistent with this chapter. The request shall be in writing in a manner prescribed by the department.

If no administrative appeal is received within the designated time period, the Statewide database shall comply with the decision of the secretary and advise the county agency to amend or expunge the information in their records so that the records are consistent at both the State and local levels.

**(c) Review of refusal of request.**--Subject to subsection (c.1), if the secretary refuses a request under subsection (a)(1) or a request for administrative review under subsection (a)(2), or does not act within the prescribed time, the perpetrator or school employee shall have the right to appeal and request a hearing before the secretary to amend or expunge an indicated report on the grounds that it is inaccurate or it is being maintained in a manner inconsistent with this chapter. The request for hearing must be made within 90 days of notice of the decision. The appropriate county agency and appropriate law enforcement officials shall be given notice of the hearing. The burden of proof in the hearing shall be on the appropriate county agency. The department shall assist the county agency as necessary.

**(c.2) Hearing.**--A person making an appeal under subsection (a) (2) or (c) shall have the right to a timely hearing to determine the merits of the appeal. A hearing shall be scheduled according to the following procedures:

(1) Within ten days of receipt of an appeal pursuant to this section, the department shall schedule a hearing on the merits of the appeal.

(2) The department shall make reasonable efforts to coordinate the hearing date with both the appellee and appellant.

**(c.3) Prompt decision.**--The administrative law judge's or hearing officer's decision in a hearing under subsection (c.2) shall be entered, filed and served upon the parties within 45 days of the date upon which the proceeding or hearing is concluded unless, within that time, the tribunal extends the date for the decision by order entered of record showing good cause for the extension. In no event shall an extension delay the entry of the decision more than 60 days after the conclusion of the proceeding or hearing.

**(c.4) Notice of decision.**--Notice of the decision shall be made to the Statewide database, the appropriate county agency, any appropriate law enforcement officials and all subjects of the report, except for the abused child.

**(d) Stay of proceedings.**--Any administrative appeal proceeding pursuant to subsection (b) shall be automatically stayed upon notice to the department by either of the parties when there is a pending criminal proceeding or a dependency or delinquency proceeding pursuant to 42 Pa.C.S. Ch. 63 (relating to juvenile matters), including any appeal thereof, involving the same factual circumstances as the administrative appeal.

**(e) Order.**--The secretary or designated agent may make any appropriate order respecting the amendment or expunction of such records to make them accurate or consistent with the requirements of this chapter.

**(f) Notice of expunction.**--Written notice of an expunction of any child abuse record made pursuant to the provisions of this chapter shall be served upon the subject of the record who was responsible for the abuse or injury and the appropriate county agency. Except as provided in this subsection, the county agency, upon receipt of the notice, shall take appropriate, similar action in regard to the local child abuse records and inform, for the same purpose, the appropriate coroner if that officer has received reports pursuant to section 6367 (relating to reports to department and coroner). Whenever the county agency investigation reveals, within 60 days of receipt of the report of suspected child abuse, that the report is unfounded but that the subjects need services provided or arranged by the county agency, the county agency shall retain those records and shall specifically identify that the report was an unfounded report of suspected child abuse. An unfounded report regarding subjects who receive services shall be expunged no later than 120 days following the expiration of one year after the termination or completion of services provided or arranged by the county agency.

**(g) Reconsideration and appeal.**--Parties to a proceeding or hearing held under subsection (c.2) have 15 calendar days from the mailing date of the final order of the Bureau of Hearings and Appeals to request the secretary to reconsider the decision. Parties to a proceeding or hearing held under this section have 30 calendar days from the mailing date of the final order of the Bureau of Hearings and Appeals to perfect an appeal to Commonwealth Court. The filing for reconsideration shall not toll the 30 days provided.

On the basis of that inquiry, the department shall take appropriate action to require that the provisions of this chapter be strictly followed, which action may include, without

If the certification shows that the person is named as a perpetrator of child abuse within the previous five-year period, the agency or person designated by the court shall forward the certification to the department for review. The agency or person designated by the court shall not approve the prospective adoptive parent if the department determines that the person is named as the equivalent of a perpetrator of a founded report of child abuse within the previous five-year period.

If the certification shows that the person is named as a perpetrator of child abuse within the previous five-year period, the foster family care agency shall forward the certification to the department for review. If the department determines that the person is named as the equivalent of a perpetrator of a founded report of child abuse within the previous five-year period and the person does not cease residing in the home immediately, the foster child or children shall immediately be removed from the home without a hearing.

(6) In cases where foster parents knowingly fail to submit the material information required in paragraphs (3), (4) and (5) such that it would disqualify them as foster parents, the child shall immediately be removed from the home without a hearing.

(a) **General rule.**--Based on the investigation and evaluation conducted pursuant to this chapter, the county agency shall provide or contract with private or public agencies for the protection of the child at home whenever possible and those services necessary for adequate care of the child when placed in protective custody. Prior to offering these services to a

family, the agency shall explain that it has no legal authority to compel the family to receive the services but may inform the family of the obligations and authority of the county agency to initiate appropriate court proceedings.

**(b) Initiation of court proceeding.--**

(1) In those cases in which an appropriate offer of service is refused and the county agency determines that the best interests of the child require court action, the county agency shall initiate the appropriate court proceeding. The county agency shall assist the court during all stages of the court proceeding in accordance with the purposes of this chapter.

(2) (i) If the county agency deems it appropriate in a dependency or delinquency proceeding, including an instance in which the alleged perpetrator has access or poses a threat to a child, the county agency may petition the court under 42 Pa.C.S. Ch. 63 (relating to juvenile matters) for a finding of child abuse.

(ii) If the court makes a specific finding that child abuse as defined by this chapter has not occurred, the county agency shall consider the court's finding to be a determination that the report of suspected abuse was an unfounded report. The county agency shall immediately notify the department of the change in the status of the report from an indicated report to an unfounded report. Upon notice, the department shall be responsible for expunging the indicated report consistent with the expunction requirements of this chapter.

(iii) If there is a determination that the subjects of the unfounded report need services provided or arranged by the county agency, the county agency may retain those records only if it specifically identifies the report as an unfounded report of suspected child abuse.
